BT PAIRING
# Quick Installation Guide

BLUETOOTH (AUDIO STREAMING)

FEATURING BUILT-IN 2 CHANNEL AMPLIFIER

DC 12V MARINE GAUGE DIGITAL MEDIAL PLAYER
BLUETOOTH PAIRING AND CONNECTION

CONNECTING TT 408 TO YOUR DEVICE:

1. 1.Press ⏻/SRC button until power indicator lights blue;

2. The system will priorly go into pairing mode. The power indicator will turn Blue and will flash quickly while waiting for Bluetooth connection. Please be sure that Bluetooth is turn ON on your smart phone. Select 'TT408' on your device to connect the Bluetooth controller (if the Bluetooth controller is connected, the light will turn to solid blue).

3. When the smartphone is taken outside of head unit's receiving range, Bluetooth will be disconnected automatically and will automatically reconnect when detected in range again. (if not, please repeat steps 1 and steps 2)

4. Press and hold 'BT PAIRING' button at Bluetooth mode for 3 seconds to force disconnect the paired device, the Bluetooth controller will be standby for next pairing.

5. Input mode indicator – Blue light for Bluetooth, Purple light for AUX, (P.S. Red light for USB mode - only available if there is an USB stick plug in).
